KARTIK MAHESHWARI

FULLSTACK DEVELOPER

PROFILE

Full stack MERN developer with a strong foundation in electronics and programming. Experienced in building responsive web applications using MongoDB, Express.js, React, and Node.js. Skilled in UI design, performance optimization, and deployment workflows. Passionate about creating scalable, user-friendly solutions.

PROJECTS

TASTY BURGERS
2025 - PRESENT

A responsive web application for burger ordering

- Developed Tasty Burgers, a responsive web application using HTML, CSS, React, Redux, and Bootstrap.
- Implemented state management with Redux to enhance application efficiency.
- Designed an engaging UI/UX with Bootstrap for a seamless user experience.

QUICKSHOW
2025 - PRESENT

End-to-end MERN stack movie ticket booking app with real-time seat selection, secure payments, and automated email workflows.

- Integrated Clerk Authentication for multi-session login, supporting email, phone, and social signups with seamless account switching.
- Implemented Inngest for background job scheduling, automating email notifications for booking confirmations and reminders.
- Developed an Admin Dashboard for managing movie listings, showtimes, and booking data with protected access and CRUD operations.

UBER-MOBILE(Clone)
2025 - PRESENT

Built with MongoDB, Express.js, React.js, and Node.js using RESTful API architecture.

- Backend powered by MongoDB Atlas with optimized schema design for trip management, authentication, and user roles.
- Enabled live fare calculation logic based on distance using google geolocation APIs

EXPERIENCE

UPTOSKILLS:-
01/10/25 - 01 /01/26

MERN FULL STACK DEVELOPMENT(Intern)

Key Contributions:- Project Link(click here)

- Month 1: Designed the HRMS portal prototype using Figma, ensuring a user-friendly and modern interface.
- Month 2: Promoted to Sub Team Leader; initiated development of the portal using the PERN stack, focusing on frontend implementation.
- Month 3: Led backend development and contributed to successful completion of the HRMS project.

Achievements:-

- Awarded Intern of the Month (October) for outstanding performance.
- Promoted to Sub Team Leader (November): Managed project sheets, reviewed code, and facilitated meetings in the absence of the Team Lead.
- Promoted to Team Lead (December): Directed a team of 85 interns, handled onboarding, organized and led meetings, prepared daily summaries for senior authorities, reviewed tasks and code, and assigned responsibilities effectively
